

AKA – Alan & Kerri Acoustic - Big Beat Entertainment

Alan and Kerri are in acoustic duo playing songs throughout the last five decades.

Both have played in other bands as well as singing and performing solo for well over 10 years. Together as a AKA, Alan provides a percussive style of guitar playing that compliments and provides a good base for Kerri to add her powerful yet sensitive vocals.

Playing songs from Pink and Britney to Queen, Creedence Clearwater revival and Johnny Cash, there will be something to suit most music tastes.

AKA are a compact duo that will fit into the smallest of venues and are suitable for any occasion.

A duo not to be missed!
