

# All Glammed Up - Big Beat Entertainment

**All Glammed Up are East Anglia's premier Glam Rock tribute band. With their clear passion for 70's Glamrock, they decided on a directive to play all the major hits from the Glam era! You won't hear any obscure B sides from these boys.**

The band came about after Matt finished a 12 year run with a 60's tribute band and felt like a change of genre. He had always loved 70's Glam Rock and after placing an advert for members of a band, they were soon rehearsing and up and ready.

With full Glam costumes including of course the wigs and platforms, the boys will ensure they create a fantastic atmosphere and give a memorable performance. With songs from Elton John, Slade, Sweet, Alice Cooper, Showwaddywaddy, Suzie Quatro to name a few.

Suitable for any kind of venue or occasion that needs a great 70's Glam Rock theme band.
