

# Andy the Singing Clown - Big Beat Entertainment

Andy can tailor his talents around you and your special event. Whether it's at home in your kitchen, in front of the class at school or on the stage at your local theatre, he has something in his clown case for everyone!

Are you having a carnival, fete, party in the park or a party or wedding, which needs someone or something different? Someone to walk around, talk to people, make balloon animals, show magic tricks or just make people smile?

Andy has his own stage he can bring with him that measures just 3x6 metres, which is ideal for outdoor events and can also be hired separately. It can make a real difference to an event and Andy will always ensure it looks good.

Andy has performed at Children's parties, weddings, birthdays, christenings, Regattas, airports, airplanes, coach holidays, holidays parks, theatre schools, local hospitals, schools, fetes, carnivals, churches, shopping malls, street festivals, air shows, pubs, clubs, hotels and even a wake, which was probably the only wake to ever have a clown appear! Birthday parties keep Andy the busiest, jumping around the village halls. He has a friend called Billy the magic bouncing bunny and Gemaisy the Clown will often make a surprise appearance if she is not at school. Weddings are the next most popular events for him to appear at and he is ideal to keep people entertained while the photos are being taken before everyone sits down for the wedding breakfast.

Andy the Clown's stunning visuals and extra funny comical times have entertained generations of adults and children alike. His vast array of styles and ever increasing repertoire make him the most popular choice for any occasion. Andy works throughout the UK and Europe and is happy to quote for all areas.

Andy can lend himself to almost anything in the entertainment business, from pianist to cabaret vocalist and close up magician to acrobatic ballerina. He is a member of the largest and most respected clown organisation in the world, The World Clown Association.
