

# Bananaruma

## - Big Beat Entertainment

**Bananaruma are a first-class tribute act performing all the classic Bananarama hits. Such was Bananarama's success in the 80's in both pop and dance charts, they were listed in the Guinness World Records for achieving the world's highest number of chart entries by an all-female group.**

Daniella, Sally and Sarah have incorporated all the original vocals, harmonies and dance routines to ensure the audience get the most authentic show.

With replica costumes and props there are eye-catching changes from song to song as they take you on a nostalgic journey back to the 80's. They can also provide an option to have backing dancers at an additional cost.

The girls are all seasoned performers and perform in other shows including the 80's tribute trio, Bedazzled and a duo Sweet Definity.
