

Betty Bangs

- Big Beat Entertainment

Betty Bangs is a very experienced vocalist, having spent 23 years working in entertainment venues around the UK.

Her drag show comprises a bubbly mix of tantalising live vocals, a large range of songs, flirting, cheeky banter, abuse, big wigs, glitter and sparkles!

Betty Bangs received the 2019 Dynamic Speciality Entertainer Award from the Worcester and District Entertainment Secretaries Council.

Shows can be provided for a wide range of events and venues, including pubs, clubs, gay or straight events, birthdays, hen/stag nights, weddings, ladies nights and pride events. Packages are also available with an additional singer/duo or strippers. If required a full sound and lighting rig can be provided for Betty's fully live vocal shows.

Please note:- Drag shows featuring Betty Bangs contain adult themes and bad language and are certainly not for snowflakes!. 18 or over only.
