

Bootleg Barlow – Big Beat Entertainment

Bootleg Barlow performed by Dean Barrett, the top UK Gary Barlow tribute act. This show will take you on a journey from the early 90s days of Take That, to the break up in 1996 and Gary's highly successful solo career. Fast forward to the reunion with Take That in 2006 and the phenomenal record breaking tours "Beautiful World" "The Circus" "Progress." and solo tour "Since I saw you last".

As a life long fan, Dean has mastered the voice and mannerisms of Gary Barlow, and has an uncanny likeness to the megastar. A top quality PA and light system ensures that each performance is "Absolutely Fantastic" – no less than the real Gary would insist upon.

Dean has recently appeared on the X factor and when talking to Gary, Gary said on live TV "it's like looking in the mirror" Gary's words not Dean's.
