

Cherry T Jazz – Big Beat Entertainment

An all singing and all dancing act!

Cherry T Jazz performs jazz music from the past and authentic jazz dance, with a sprinkle of swooshing for good measure.

Tania has worked professionally as a dancer, actress and singer for many notable productions through her career. She has played in West End theatre productions and has been on television including The Royal Variety Performance and The Olympics Opening Ceremony.

She is available as either a solo vocalist with backing tracks or as part of a band. She also offers a Pop Ukulele show, described as an uplifting jazz and pop show, where she puts her own twist on both classic pop and jazz songs.

Cherry T is available for parties, weddings, events and festivals.
