

Chrissie Cadillac

— Big Beat Entertainment

Chrissie offers a fun-filled performance of classic 50's & 60's songs.

Chrissie's act is perfect for themed events and vintage weddings or parties. As part of the fantastic package she offers, there is a disco with lighting (no need to book a separate DJ), scene setters and props to make it fully themed and look spectacular. Chrissie will also dress accordingly for your theme.

Although great for themed events, if you want to make it more diverse, she is happy to cater to playlists in the disco part of the evening. She can cater for all decades of music in the disco to appeal to a wider audience.

A great act who loves her vintage music and that shines through her performance. Suitable for all kinds of venues and events.
