

Dale Diamond – Big Beat Entertainment

Singing the songs everyone loves from the 50's, 60's through to the present day. Dale is now solely represented through Big Beat Entertainment.

Having worked on the East coast for over 10 years, Dale relocated to the Midlands and has become one of our most popular acts and very much in demand.

Dale's show is full of energy and he covers songs that will keep everyone in the audience entertained all night. With lots of lively songs great for dancing Dale's shows are great for parties and any venue.

He is also available to do an hour long tribute to his favourite artist, Elvis Presley. This can either be incorporated into his show or performed as a stand alone show.
