

# Duran Duranish

## - Big Beat Entertainment

**The wild boys are calling..... Duran Durnash are a tribute band of professional musicians who have a wealth of experience performing all over the world.**

Coming together through a shared love of Duran Duran's music, they are now performing together both as Duran Duranish as well as System 80's.

The band are based in Birmingham and are a 6-piece comprising drums, bass, guitar, keyboards, male vocals and female backing vocals. The show is packed full of those instantly recognisable songs spanning their vast back catalogue. You are always guaranteed a high energy, fun but professional, live show.

Suitable for a multitude of different venues, from small intimate ones to large stadiums and everything in between.
