

# Joe Connors – Big Beat Entertainment

With over 30 years performing Joe has built up an impressive appreciation of what audiences are looking for.

Having worked in both musical theatre productions and as a member of various rock bands, he has a real passion for music and performing.

He covers many genres and eras of music in his show. With a large repertoire of material, he can adapt his show to reflect an audience's preferences.

A popular act who provides something a little bit different for his show.
