

Kiss the Teacher

- Big Beat Entertainment

Kiss the Teacher Abba tribute is a great choice for any event in the UK. If you want an impressive concert stage set complete with keyboards and guitar and other professional props.

If you want high energy performances from four dedicated performers, featuring multiple costume changes and a programme of the best that Abba have to offer with a superb sound system – Kiss the Teacher is for you.

The tribute was formed in 2000 and have been performing throughout the UK and abroad ever since. Suitable for holiday centres, hotels, leisure resorts, social clubs along with outdoor festivals and pride events.

They may not speak Swedish...but they know how to rock out those sensational 70's sounds from Sweden's best know export (apologies to Volvo & Ikea...). So for the best Abba party you could ever have, you will want Kiss the Teacher.
