

Magic-AI – Big Beat Entertainment

Bringing the joy and mystery to all from the UK and abroad for over 10 years, Magic-AI is a great choice.

Alex's shows involve a mixture of magic and mentalism to bring the audience into the entertainment. He provides a show for people of all ages at events such as parties, christenings, fairs, conferences, product launches, family fun days, weddings and much, much more.

Alex is also available as a children's entertainer with a mixture of shows available suitable for children aged 5 plus. He can also host quiz nights providing the questions, music, interactive trivia as well as the equipment needed.

Reviews

"Alex entertained just under 30 children today at my nieces birthday party. I had so many compliments at how well he was doing and did. Booked him a couple of weeks ago so very last minute and was very impressed. All the children had a lovely time. Thank you Alex"

"Me and my wife had Alex come and do some close up magic to our wedding guests at our wedding ... and everyone said how good he was, even to the point when he went to get some more things out of his car and when he came back everyone cheered him."

Andrew Perry

"Magic AI is a fantastic act a true professional. His shows are absolutely fantastic, He is such a nice talented guy who we would highly recommend whether it be a children's party, Wedding, holiday park, basically anything this guy will deliver."
