

# Mark Anthony as Prince – Big Beat Entertainment

Actor and singer Mark Anthony honours and celebrates the life and legacy of the artist Prince, one of the most talented, prolific singer songwriters of all time.

Prince was a global megastar with over 40 hits in the UK Top 40 and 5 no.1 albums, so there is a wide range of material to cover. Mark made history by being the first double ever to appear on Top of the Pops. He has also acted as a double for Prince in several TV shows & films.

Mark Anthony arrived at the Pepsi Chart show in London in a black limousine with bodyguards. Everybody was guessing, was it or was it not Prince. Mark Anthony did also have the great pleasure of meeting Prince.

He has taken his tribute show around the world and played many prestigious events. A very talented artist who would be an asset for any event or occasion.
