

Marky T

- Big Beat Entertainment

Cut Marky T in half and he will have Ska & 2Tone running through him!

Although Marky is a very versatile act and able to cover pretty much any genre of music, he is more well know for his specialist 2Tone & Ska tribute show. He has quite a following in his local area.

Marky T was always a scooter boy and has a real passion for this genre. You will notice at the end of songs, he will give you the name of the song, the artist and the year it was released.

When you book Marky T, you will get a professional show covering a huge range of 2Tone, Ska and Punk music and we bet you will soon be up and dancing.

Suitable for any kind of venue or occasion.
