

Mustang Blue - Big Beat Entertainment

There aren't many bands that can boast of having Fringed Mercury, Elvis Presto, Rod Stupid and even Tina Turn Off making appearances in their act!

Mustang Blue are a 5-piece rockin' covers band with that little bit extra. They are an experienced line up who perform an energetic and dynamic show. They play music from the 50's to the present day and will ensure everyone has a great time and a night to remember.

The band have played many different kinds of venue from pubs, clubs, festivals, rallies and even beer festivals. They are available for all events and have done weddings, private parties and corporate events. Basically no function is too big or too small for Mustang Blue to inject their flamboyance.

So if you want a great party band, look no further than Mustang Blue.
