

Paddy O'Brien– Big Beat Entertainment

Paddy O'Brien takes you on a trip through some classic Irish folk songs.

Paddy's alter ego, Reuben James, is an experienced entertainer and has been on the circuit for many years and knows how to read and adapt to his audience.

This is a fantastic act for Irish theme nights or St. Patrick's Day celebrations. Suitable for all kinds of venues and Paddy will be sure to have your audience singing along, clapping, toes tapping and dancing, to these evocative songs from The Emerald Isle.
