

Pop the Question - Big Beat Entertainment

Pop the Question duo is an acoustic duo show perfect for weddings/civil partnerships or smaller, more intimate events.

With Steve on guitar and JJ vocals, this is a much more simplistic and unobtrusive show than their other offerings as Fizzi duo & their tributes.

For weddings, they are happy to learn any first dance requests and will tailor their show to suit your tastes. They are also able to combine their acoustic set with the party duo and DJ service if you are looking for a contrast for different parts of your event.
