

Rebel Dean – Big Beat Entertainment

Rebel Dean is the image of a 50's Rock 'n' Roll idol, leaning moodily over the microphone, lip curled, legs astride and playing a guitar.

Rebel is a truly versatile all-round entertainer, who's an actor, singer, songwriter and musician. He has always been passionate about taking Rock 'n' Roll flavoured music to the masses. He has worked with some of the great names in the current rockin' scene, including The Jets and P.J Proby (as seen in the video link). Darrel Higham said "Rebel Dean is probably the most successful male Rock 'n' Roll artist in Britain today. In 2013 he had a no.1 hit with All Torn Up. This is acknowledgement to the years of gruelling tours, recording sessions, interviews, West End performances and TV & Film appearances (including as a porter in Casualty, Only Fools and Horses & Inspector Wycliffe).

A fantastic performer, either as a solo or with his seasoned band The Star Cats & also a Shakin' Stevens theatre show.
