

Rockin' Ratbags - Big Beat Entertainment

Rockin' Ratbags are a fun loving duo who love performing music from all kinds of genres from the 50's, 60's & 70's/

Colin and Steve are both very experienced musicians and have backed the likes of The Searchers & Jimmy James and the Vagabonds as well as being involved with Abba and Status Quo tributes. They came together in Feb 2013 with the Rockin' Ratbags and interest in the duo continues to grow.

The Rockin' Ratbags really enjoy their music and this is evident in each performance. The guys put on an all round show providing great music and relative dress style-suits for the 50s and 60s, and glitz n' glam for the 70s, plus joker Colin always has some surprises even duo partner Steve doesn't always know what he will do next. Keep Rockin with the Rockin' Ratbags.
