

Rockney Rebels

- Big Beat Entertainment

Established in 2016, Rockney Rebels set out to be the number one tribute to Chas 'n' Dave. With accolades from Chas Hodges himself the band have gone on to become a firm festival and event favourite.

With parents hailing from Forest Gate and Ilford it's perhaps no surprise that founder member Jonny was drawn to the music of Chas 'n' Dave and the sounds of this area and era. His Grandmother also played the pubs around the East End performing cockney standards; so you can say this music is truly in his blood!

The band perform all the classic Chas 'n' Dave hits plus plenty of album favourites, cockney sing-alongs and even the theme from 'Only Fools & Horses' all as the classic line up of piano, electric bass guitar and drums.

Everything you need for the perfect knees-up entertainment!
