

Rusti Steel - Big Beat Entertainment

Rusti Steel lives, breathes and sweats Rock 'n' Roll!

With a wealth of experience and knowledge of Rock 'n' Roll, gained from many years of singing and playing lead guitar and steel guitar in bands. As well as performing his solo show, Rusti is also in Rusti Steel and the Star Tones, in which he performs 50's favourites that we know and love.

Rusti has performed all over Europe and Scaninavia, has appeared on TV and radio s and recorded many albums, one of which has won Best British Album in the British Country Music Awards. His records are played worldwide both on radio stations throughout the world and by club DJ's.

Rusti's love for all things Rock'n'Roll shines through in his performances, always getting his audience either tapping their toes or up on their feet a-rockin' the dance floor. So, if you want some good ol' Rock'n'Roll to pep up your party... rock your joint, ... Rusti's your man! Also available with his band The Star Times.
