Reviews – “Kieran and Luke's tribute to Ball and Boe absolutely fabulous and bought the house down; receiving two standing ovations.”

“I would describe Sabatino & Sutcliffe as follows... Amazing voices, passionate to deliver a fantastic performance and in my opinion absolutely brilliant!!! I would highly recommend my friends and family to go see them.”

Sabatino & Sutcliffe sing the songs of Michael Ball and Alfie Boe.

Two of the biggest stars of the West End joined in harmony and took the world by storm. Luke and Kieran offer 2 shows performing these classic songs from Ball & Boe's two platinum selling albums, Together and Together Again.

Luke and Kieran are two of the best showmen vocalists in the UK and take their audience on a journey. The shows have been creatively put together with a unique style. You will hear songs from Les Miserables, The Phantom of the Opera, Blood Brothers, Miss Saigon and Carousel to name a few.

Together with a live band, Luke and Kieran's ability allows them to express their passion for the theatre through their magical vocal talent. A superb act!
