

Scratch the Cat

- Big Beat Entertainment

Scratch the Cat is renowned for excellent presentation and superb musicianship.

A versatile 8-piece band catering for most styles; particularly dance orientated music and whatever will engage the audience and create that great party atmosphere. Comprising drums, keyboards, guitar, bass, sax, trumpet and 2 female vocalists the band is ideal for weddings, function and corporate events where a classy act is required.

They are happy to tailor the music to the occasion where possible and will also play recorded music before, between and after the live sets where required. For weddings, first dances can be played live provided notification is received in good time.

This band really are the cat's whiskers for weddings, birthday parties, anniversaries and corporate events or even just a great night out!
