

Signed, Sealed & Delivered - Big Beat Entertainment

Signed Sealed And Delivered! are a professional Tribute to the sound of Motown.

They are vocalist Lucy Blaxland-Hill, Martyn Tite on piano and keyboards and Paul Hayfield on bass. Their sound is augmented with top quality professionally recorded parts allowing them to recreate the sound of an eight piece band, and giving a huge sound experience. However, as a trio, it makes them suitable for the majority of venues.

Their repertoire features all of your favourite Motown and Soul classics, with every song being carefully chosen to keep your dance floor full all night. Whatever your event they are confident they can tailor their services to meet your needs. Their shining performances are bound to please and they can also offer party sets for maximum appeal to most audiences. Whether booking for a wedding, corporate or private function, their musical performances will truly add that special touch.
