

# Star Tribute Shows – Big Beat Entertainment

## Testimonials

Danny is an artist of exceptional talent and is recognised as one of the best impressionists in the business. This chameleon becomes so engrossed in the character that you really feel it is the person he is doing a tribute of, rather than Danny you are watching.

I have had the pleasure of working with Danny Owen on two separate occasions. Once when he was performing as Julio Iglesias in Puerto Rico, and once as Tom Jones at The Luxor Hotel in Las Vegas. On both occasions he brought the house down. I have never had a client so excited and happy with a performance.

I would like to introduce you to a SUPERSTAR and one of the most talented celebrity impersonators I have seen perform in the past few years. His name is Danny Owen and I saw him performing as Julio Iglesias and Tom Jones at the Imperial Palace Hotel in Las Vegas, his amazing performance is still talked about among agents in America. Having seen so many impersonators and look-alikes over the past twenty years, there are only a few who make me stop... stare.. and marvel over. When he performed, the whole audience did. Not only that he turned out to be a very gracious man.

**Bea Fogelman, writer and Broadcaster based in Las Vegas**

One of the world's most versatile and in demand tribute artistes, Danny Owen has been performing his fantastic live shows from London to Las Vegas.

He offers this multi-tribute show celebrating superstars Tom Jones, Elvis Presley, Julio Iglesias and Neil Diamond. He also has a Rat Pack show available.

Danny has been a vocal impressionist since leaving school & in 1996 he appeared on Stars in their Eyes as Julio Iglesias. He has an impressive list of corporate clients & has worked in cabaret all over the world. This show or variations of it are suitable for a wide variety of events and venues.
