## - Big Beat Entertainment

**Let the Candy Girls serve you up a taste of a bygone era and bring instant 40's and 50's vintage glamour to your event or party.**

The Singing Usherettes will get your evening started in style, weaving through the audience singing in beautiful three-part harmony, distributing sweets (or your own personalised merchandise) as they go, before performing a rip-roaring set full of classic hits and modern songs that have been given a retro makeover.

This unique act will enliven your evening and enrapture your guests! Perfect for corporate events, weddings, tea parties and vintage/wartime themed events.

The Singing Usherettes can also offer a whole set of modern day songs done in the enchanting vintage style and can perform with a full live backing band (4 piece or 7 piece), with backing tracks or a cappella.

The Candy Girls also perform a Wartime Nostalgia Show, Pick 'n' Mix, The Great Gatsby and The Candy Lounge.
