

# The Retrobates - Big Beat Entertainment

**Are you looking for something a little bit different for your event? How about The Retrobates. An 8-piece band who love playing pop classics with a retro/vintage twist.**

They have been likened in style to bands like Post Modern Jukebox and The Baseballs. Great for all kinds of events where you want a fun performance but just that little bit different to standard party bands. They cover a wide range of genres and eras to appeal to most people.

The Retrobates comprise trumpet, trombone and sax, upright bass, keys, guitar, drums and female vocals.

Depending on your style of event the band can also offer a more laid back set suited more to dinner entertainment or drinks receptions.
