

The Runaways

- Big Beat Entertainment

A Shadows tribute band and more! A long established band playing authentic Shadows classics and hits from the 50's, 60's and Rock 'n' Roll.

The Runaways are constantly striving to produce the highest quality sound and pay attention to the visual aspects of the show. They are always immaculately dressed in their suits and are memorable for their striking red guitars and that Hank twang!

Although they have worked with members of The Shadows and are renowned for the authenticity of their production of The Shadows' numbers, The Runaways are far more than a Shadows tribute band. With the vast experience and individual talents of each member and their extensive repertoire of classic vocal and also known vocal numbers played instrumentally with their own twist on it.

The Runaways produce a performance tailored to each venue and event and are happy performing at all kinds of event and venue of any size.
