

The Ska Fella - Big Beat Entertainment

The Ska Fella is an entertaining and fast-paced show featuring popular Ska hits from the last 3 decades with a bit of Reggae dropped in too.

Expect to hear hits from Madness, The Specials, UB40, Desmond Decker, Bad Manners and Selector alongside many more and a few surprises.

David, The Ska Fella, will ensure that his self-contained show provides a full night's entertainment by providing background music at times he isn't performing live.

If you want a Ska and Reggae evening or event, you won't go far wrong with booking The Ska Fella. The show suits most venues and events and will be sure to provide that party atmosphere.
