

The Swingettes Roaring Twenties & The Great Gatsby Show – Big Beat Entertainment

The UK's favourite vintage trio and jazz band celebrate the music of the 1920's in this show.

The girls along with their live Jazz Band perform this show which features a mixture of traditional jazz songs from the Roaring Twenties to modern dancefloor hits with a vintage 1920's twist.

A fantastic and class act that will ensure your event is one to remember.
