

The Ultimate Peter Kay Experience

— Big Beat Entertainment

Enter the world of laughter, humour and damn right silliness with this fantastic Peter Kay tribute featuring the one and only Justin Lovell. With his uncanny voice and perfect timing delivered in the style of Peter Kay, this show is must for any venue.

With a running time of 70 minutes, the show incorporates characters such as Brian Potter and Geraldine with surprise visits from Brian May and Roger Taylor.

Justin is an entertainer with over 25 years of experience working in the music industry. As well as being an established solo artist since 1993, he has also fronted the worlds top tribute to The Bee Gees in 2005, performing across the world in theatres, arenas, holiday parks and cruise ships.

Justin has always been a popular vocal entertainer and has vast experience working to audiences as both a comedy vocalist and tribute artist. He has also worked alongside named artists such as Boney M, The Bay City Rollers and The Batchelors to name but a few.

As Justin says, he has now found his true love in comedy and hopes that this brilliant Peter Kay tribute will wow audiences wherever he goes and have people laughing till the cows come home. (Does anyone know where the cows go to by the way?)

Fully self-contained, and available with a spot of music to fill out the night if necessary, (Justin is an excellent vocalist as well). Dont miss out on what promises to be one of the UKs biggest comedy roadshows
