

# The Wild Murphy's – Big Beat Entertainment

**Over the last 15 years and with a few line-up changes along the way, The Wild Murphy's have risen to be one of the liveliest, highest rated and most professional and hardest working Irish groups in the UK.**

They perform their own version of classic and well known Irish songs by the likes of The Pogues, The Dubliners and The Fureys to name a few. They aren't a folk band, they're not a ceilidh band, they're not even a rock band, they are an out and our Irish music group. They play some the greatest and most popular songs in their own inimitable way. Let's just say, no-one is doing this selection of songs in this lively a style in anywhere in the UK today!

The Wild Murphy's have played at some of the biggest and most prestigious events not just in the UK but all over the world. They have been accepted as a true Irish tribute act purely through their clear love and passion for performing that genre of music.
