

True Colors – Big Beat Entertainment

If you want a full throttle show, look no further!

Join Cyndi as she takes you back in time to the 80's. Including smash hit songs that defined an era such as Time after Time and Girls Just Wanna have Fun.

The show is available with Izzy as a solo tribute or with Izzy & dancers or with her full band.

This show is a fantastic option for many venues and events such as 80's events, tribute festivals and Pride celebrations.

Review:- "... Yzzy's interpretation of Cyndi was on point, the accent, the humour and most importantly the voice. Partnered with energetic dance routines and vibrant costuming makes this a show that will leave any audience just wanting to have fun!" – Kelly Bond – Pontin's Events
