

# Ultimate 40 - Big Beat Entertainment

**Ultimate 40 are one of the UK's most authentic sound alike, UB40 tribute band. With front man AJ & his undeniable vocal resemblance to the legendary Ali Campbell.**

Formed in early 2016, Ultimate 40's consists of multi-talented musicians, some of whom have played not only alongside Ali Campbell but with many other legendary musicians & bands, including Aswad, Maxi Priest, Bitty McLean, Ken Boothe and Gregory Isaacs.

Ultimate 40 cover the great UB40 songs in the original style with their own added twist! They love interacting with the audience whatever the occasion, so everyone enjoys being part of the experience as much as the band.

They have toured across the UK and Europe and have played at prestigious events such as the Formula 1 Grand Prix both at Silverstone and Spa in Belgium. They have also played at fundraising events, social clubs, festivals and weddings.
