

Una – Big Beat Entertainment

Canada's loss is our gain. Una wows audiences with her energetic rendition of classic Soul, Motown, Jazz, Disco, R&B hits and more.

Una is Canadian born and bred and grew up in a musical household. It was only recently though that Una decided to start singing professionally.

Relive the hits of Aretha Franklin, Whitney Houston, Etta James, Chaka Khan, Natalie Cole, Betty Right, Wilson Pickett, Sam & Dave, Anita Baker and Gladys Knight, to name a few.

Una splits her time between the UK & Cyprus, so isn't always available but when she is, you will be booking a truly talented lady.
